

ADP Global Payroll Services

Serving you wherever you do business

A more human resource.™

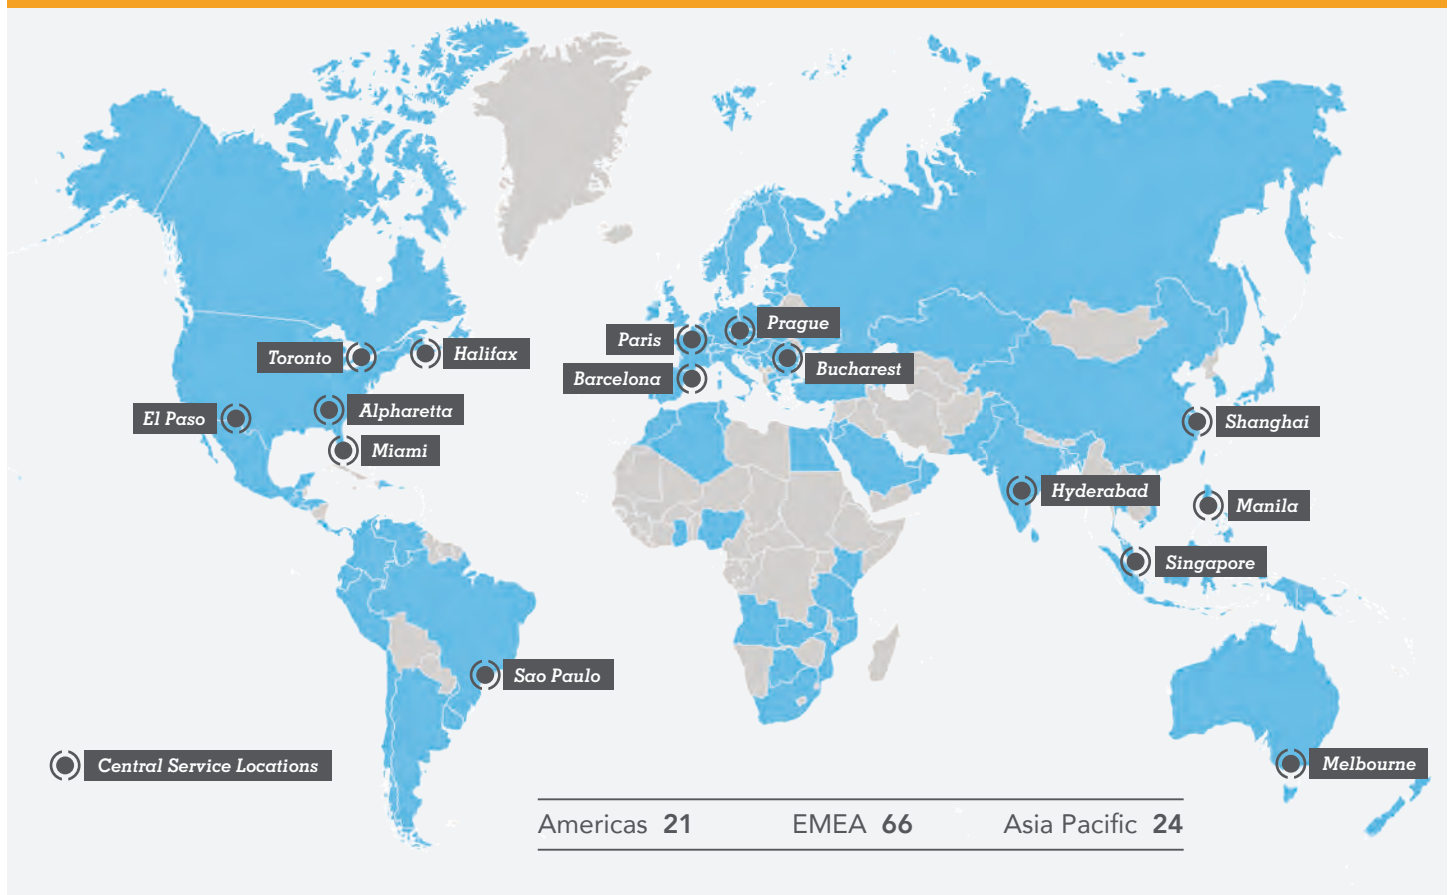

As a leader of a multinational organization managing a global workforce, you face multiple challenges every day. Disparate HR systems add complexity to your global employee data management, and thousands of legislative updates every year increase your organization's risk of non-compliance.

ADP has been in the business of managing some of the world's most complex payroll processes and fast-changing compliance challenges for over 65 years. Drawing on this vast experience, we offer a unified solution that goes far

beyond just technology to help you achieve scalability and reliability. ADP Global Payroll Services gives you global visibility across 111 countries and territories through a centralized cloud-based software solution, and supported by thousands of on-the-ground, dedicated local experts.

Whatever the size of your workforce, ADP Global Payroll delivers comprehensive compliance management standards, alongside continuous innovation, and a cutting-edge user experience for profound new levels of workforce engagement.

ADP Global Payroll services are available in 111 countries and territories
